1071 Blue Hill Avenue • Milton, Massachusetts 02186 • Volume 44

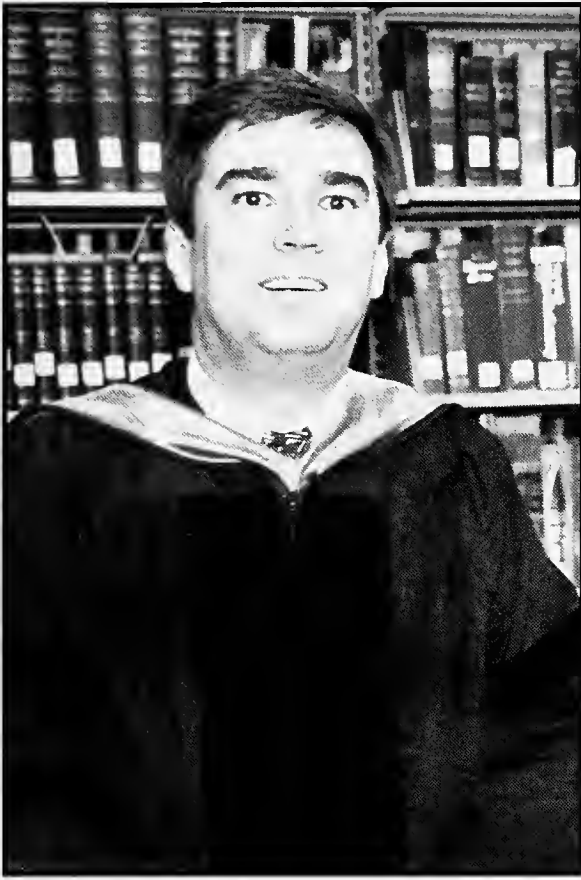

To the Senior Class of 96':

Congratulations to each of you on accomplishing an important goal! I feel particularly close to the class of 96, because many of you came to Curry at the same time I did, and we're moving on at the same time, as well! I've gotten to know many of you, and I've had the pleasure of teaching a few of you.

If you're like most people, this is a moment that brings both excitement and anxiety: especially if you are a traditional student, your life is about to change dramatically. If you look back at all the growth you experienced at Curry, think ahead to the next few years and know that you will continue to grow and expand your horizons in ways you can't foresee at the moment. Your years at Curry have given you a solid foundation, and by succeeding here, you have demonstrated your competence and determination.

May the years ahead bring you happiness and the satisfaction that comes with doing your best and making a difference in your community and your world.

Dr. Catherine Ingold

To the Class of 1996:

Congratulations. Each and every one of you should be proud of your accomplishment in graduating, and of your association with Curry.

As you probably know, I became the 14th President of Curry College - your college - the day after you graduated. In that role I look forward to continuing the

relationships I started with many of you as a professor and to developing relationships with those of you I don't already know.

Please be active alumnus. It's in the best interest of both you and the College. My door is always open and I look forward to working with all of you as we make Curry a model of excellence in the year 2000 and beyond.

Best Wishes,

Kenneth K. Quigley, Jr.

Kenneth K. Quigley, Jr.,
President

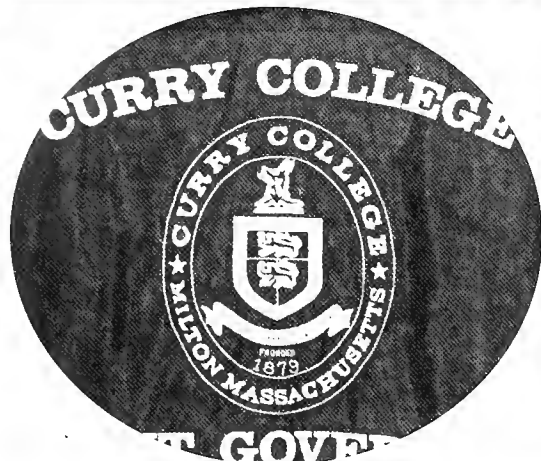

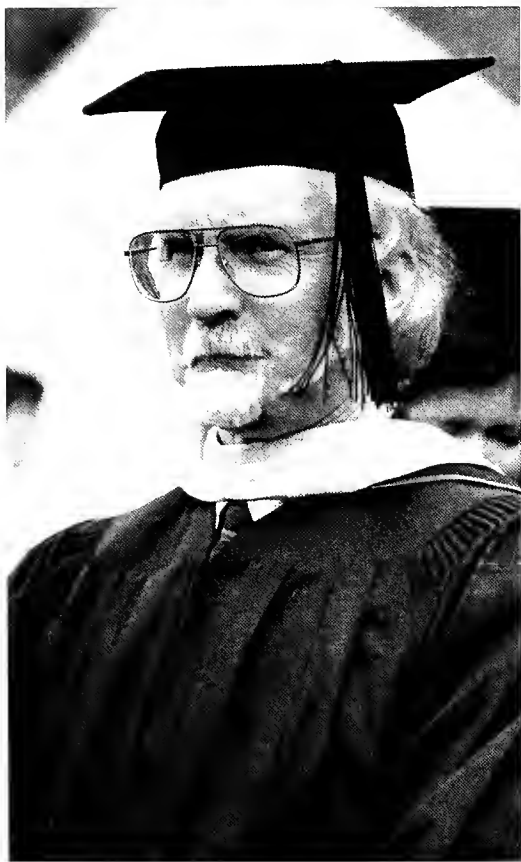

The Dedication:

As the editor of The 1996 Yearbook, I am happy to write that we have broken new ground this year. Our new natives have included using computer software to develop the layout for the publication, and giving this book the title... "A Lasting Legacy." We hope that this will become a Curry tradition.

The theme of this year's "Legacy" is "Someday It Will All Make Sense." This is based on the premise that while as students we may not fully comprehend what we have from Curry experience, but that as time goes on we will have greater understanding of how important our time here was to us professionally and personally.

This year's dedication is not to just one individual but to a community- the Curry students, staff and faculty. People who have been instrumental in each senior's college experience. In the future, when we look through this book and the memories that it represents, we will remember the many individuals who touched us.

Elizabeth Waldron,
Editor

The History of Curry College

Curry College has a rich history whose roots lie in the intellectual traditions and personalities of the 19th century New England. Now well into its' second century, Curry has maintained a distinctive mission while creatively transforming itself over the years to meet new educational challenges.

Originally, the School of Expression Samual Curry founded the school on the philosophy that individuals could reach their true potential by cultivating the art of expression. In 1938, the Massachusetts Legislature gave the institution the power to confer the degrees of Bachelor of Science of Oratory and Master of Science of Oratory. In 1943 the corporate name, School of Expression, was changed to Curry College in honor of it's founders.

To this day, Curry remains a dynamic and forward - looking institution committed to providing a highly individualized educational experience.

Dave N. hard at work, making sure the grounds look great for Graduation!!

Dear Senior Class of 1996.

Many people have committed a great deal of time and effort to make our senior year special for each of us. As the senior class president, I have spent a great deal of time planning and running many of the senior events.

It was not an easy task but thankfully I had special people as my class officers and representatives who helped to make this an incredible year.

Four years ago, I walked into the Miller Gymnasium a scrawny young boy from East Boston who didn't believe he belonged or that it would make any kind of difference if he was here or not. But after a while through the love and understanding of some great people here I learned that I did belong, and by writing this letter, I know that I did make a difference. We owe much to the Curry Community and I am going to do everything I can to make sure that the next scared kid has an even better experience than I did.

I would like to thank two people to whom I owe everything, my mother and father, who sacrificed everything to make this day possible for me. I thank you both and love you with all my heart. I would like to end by thanking and congratulating my fellow classmates. This may be the last chance to tell you, that there is a special place in my heart for all of you.

Your Friend and Classmate

Junior Class

This year the Junior class was involved in many fundraising efforts. October was the month of Homecoming and we were promoting mugs, pom poms and face painting. Later in the month the college celebrated Family Weekend and we were there selling mugs of hot chocolate during the football game. At the end of the month, we sponsored Halloween Candy Grams.

During the next semester we celebrated February, the month of love, by selling flowers accompanied with messages of love. In March, April and May, we continued making bundles of money with Exam Aides, Earth Day T-shirts and Tarot cards. We would like to thank everybody for supporting us. We were very successful and pulled our class out of debt.

Now we extend our congratulations to the graduating class of 1996. It has been a pleasure working with you and we wish you the best of luck in the future. Thank you for helping us learn the ways of the world.

Christina Tamasi
Junior Class President

Sophomore Class

The 1995-1996 year was a hard but successful year. We as a class raised some money for the class by selling stickers and key chains.

I would like to thank Keith Moore, Joyce Sangery, and other members of the Student Government Association for a successful year. I would also like to thank the rest of the officers for all the hard work and the help they gave me. I would like to wish to Peter Votto and the rest of the class the best of luck in the future.

Matt Chant
Class President

Freshmen Class

Upon entering Curry, the new faces of the freshmen class had many new challenges to face and expectations to overcome. We began the semester with the Student Government elections realizing that the students did have a voice. The challenge of waking up for a 8:30 early morning class was eventually conquered with time. We survived the new living arrangements and got passed the idea of once again sharing a room.

With all the new faces, ideas and images that we freshmen had to absorb, we also learned to deal with environmental change. We look forward to a new president to help lead us in the right direction and raise our spirits to make Curry all that it can be.

Women's Soccer 1995

We came into the 1995 season with high expectations. We had fifteen returning players, nine of them were starters. Our schedule was tough, but after our 13-8 record in 94 we were striving for a better record. We ended up with 7-13 record, falling short of our expectations. However, our record is not all indicative of the team. In many games we out played our opponents, out hustled our opponents and yet somehow came short at the end. There is no doubt that anyone who got an opportunity to see the 1995 squad play, walked away thinking-Wow- what a great team! We have three graduating seniors, all of who will be greatly missed. Cara Egan, an individual who could always spark the team when she was on the field, Samantha Good, a real hero to her team and Karen Callaghan, An incredible player and a real team leader. But after finishing up the season on a positive note, winning the MAIAW tournament, with a win over Wellesley College 1-0 in the championship, our confidence is also high.

Curry College Hockey 95-96

The Hockey team's first road trip of the new year was to Alabama, where Mike Deagle was honored as player of the week and Mike Maganaro as rookie of the week. Deagle was the highest scorer of the hockey team with a total of 33 points.

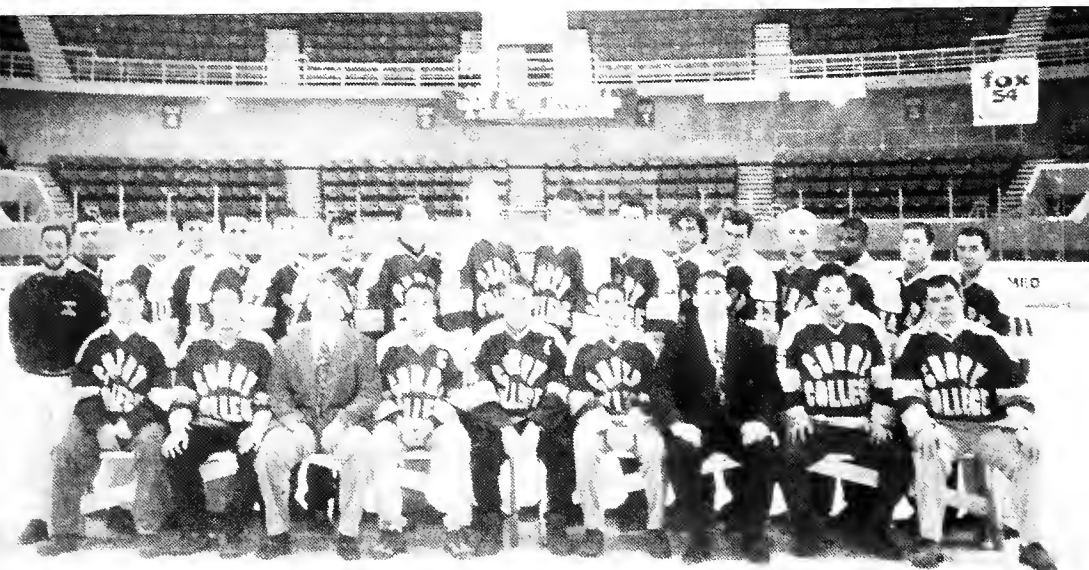

The big win of the season was against Fitchburg State. It was the first time Curry hockey had defeated the team in years.

Good luck to the seniors!

Women's Basketball 95-96'

At the end of the season the women's basketball team ended their season with the record of 12-11. The highlight of the season was their trip to Southern Maine to play ranked Southern Maine and Bowdin. Unfortunately, the CCC League Tournament was not successful and they lost in the first round to Gordan College.

Best of Luck to the Seniors Cara Egen and Karen Callaghan, who each scored over 1000 points in their Curry careers. Congratulations!!!

Sarah Egen was not only the biggest fan the women's b-ball team had, but Cara says she is also a great sister too!!

Curry's Softball 96'

The 1996 Curry College Softball season was one to remember and a good one for the record books. The team ended with a season of 27-7, which set a new record for the most wins ever by a Curry Softball Team and the most wins by any Curry athletic team. The team also set the program's record for the longest winning streak with 18 straight victories. The season included a successful Spring Break Training Trip to Ft. Myers, Florida.

Leadership was provided by the two senior captains, Jennifer Police and Melissa Pitetti. Four players were named to the Commonwealth Coast All-Conference Team, Michelle Maiocca, Adrienne Tierney, Jamie Friske, and Jennifer Police. The combination of fourteen returning players from the 1996 team along with a strong recruiting class, gives high hopes for the 1997 season.

Business Management Forum

The Business Management Forum is open to all majors and Continuing Education students. The Forum's goal is to provide networking opportunities which may lead to internships and/or careers after graduation. The Management Forum meets once a week to discuss the future of management in present day society and often invites local professionals to speak.

Annual trips to Boston area business landmarks are scheduled according to the groups desire, but two mainstay are the Federal Reserve and the Stock Exchange. The president for 1995-96 was Sophomore Craig Holtz.

Never say Goodbye

Do you remember how we were?
Young, wild and free
Those times are now memories

As I take that final walk
As I close yet another chapter in our lives
All I want to say is thank you:
Thank you for sharing my victories
Thank you for helping me in sorrow
Thank you for the laughs
and all around support

Thank you for adding your smile to my day
Even if yours was rotten
Thank you for adding a bond in friendship
My life is better knowing you

My life here is through
but if there is one thing
that I will take away
is the bonding and memories
That made me who I am

As I start to leave on that walk
I need you one last time
one last favor;
Never Say Goodbye

To the Senior Class of 96':

When we think back about our time at Curry College, we may miss our classroom experiences. We may miss the Spring Fling weekends. We may even miss term papers and final exams. There are many things we miss, but one thing is certain... we will all miss our life-long friends we made at Curry.

We came from different places and we all had different backgrounds. Some of us played sports or joined clubs, and some of us didn't. We were all individuals, and we did what we liked . But as time went by, the more we changed, the more we became the same.

Curry College may be far away, but it will always have a place in our hearts. Our memories will always remain frozen in time; but our lives, and the lives of our friends, will burn bright as our college dreams become reality. Curry College is a place we probably didn't know about for most of our lives; but will remember it forever.

Program for Advanc

As President of Curry College, it is my great pleasure to welcome you to the gala celebration of the twenty-fifth anniversary of the Program for Advancement of Learning (PAL). For a quarter-century, this program has brought distinction to Curry and life-changing opportunity to generations of bright, able college students with learning disabilities. With the help of a creative and dedicated faculty, our PAL students have built success from uniqueness and strength from difference. In so doing, they have enriched in profound ways the intellectual and interpersonal environment in which every Curry student learns and develops.

I join with the entire Curry community to recognize the achievements of all our students and alumni, and to honor the gifted faculty who teach them and who will continue to learn with them, as we look forward to the next 25 years.

Pub Night

On February 15, 1996, the senior class gathered to celebrate 96 days 'til graduation at the "96 to 96 Pub" held at the ARC. The evening began at 8:30 P.M., and we started the night with cheese, crackers and wine! The 1996 Class toasted our days left at Curry at midnight. The night was the start of the celebration to come for the Class of '96. And what a celebration it turned out to be!!

Curry seniors gather for wine and cheese.

Spring Fling '96 "A Touch of Spring"

Sports Awards

On May 6th, in the Parents Lounge, the senior athletes gathered for the first time to celebrate each of their accomplishments. Some of the awards which were presented included **Athletes of the Year**, Bruce Whitney and Karen Callaghan. And **Scholars of the Year** Suzanne Lazzara and Jay Medeiros.

On April 27th, Spring Fling was held at Westhaver Park. This year's theme was "A Touch of Spring". The bands which played were *The I-Tones*, *The Bogmen*, & *Redwood*. There was plenty of excitement, including the thrill swing ride, velcro obstacle course, booths and games and all sponsored by different classes and clubs. The day turned out to be a very memorable Spring Fling Day!

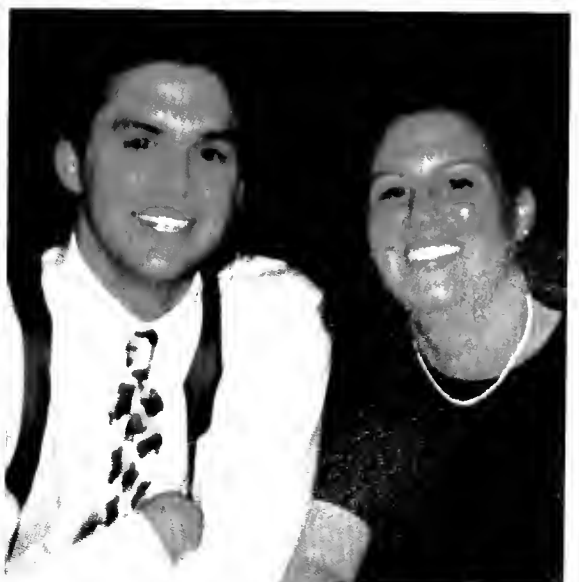

Spring Fling

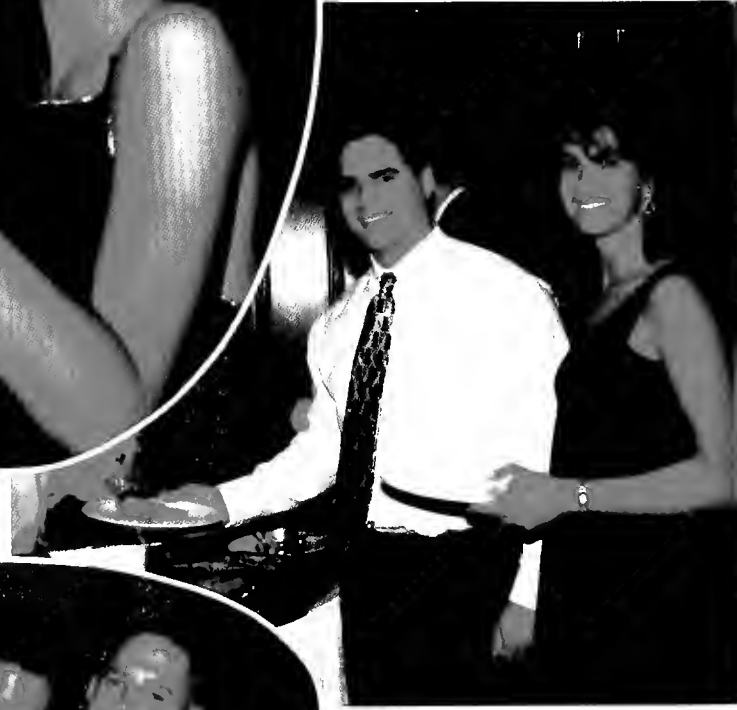

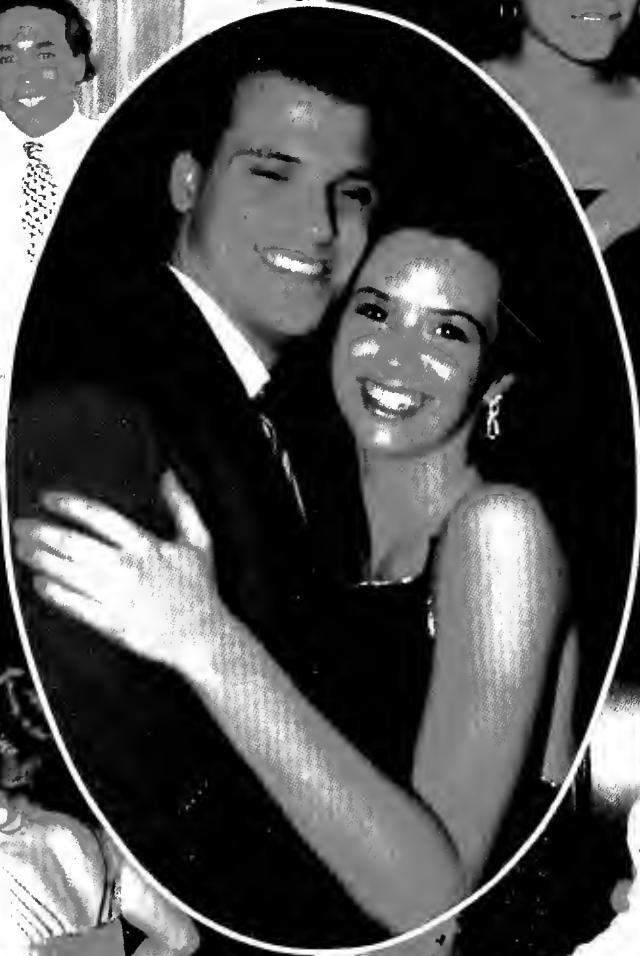

Dinner and Dance

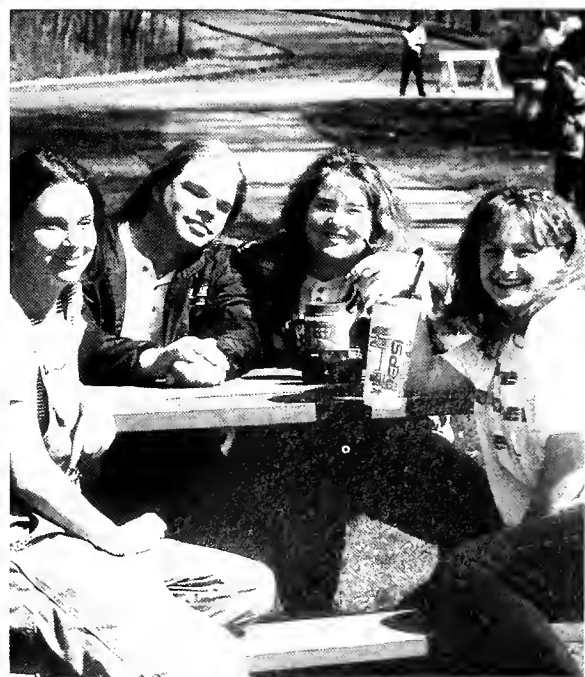

This year the Spring Fling dance and dinner was held at *The Westin Hotel* in Waltham, MA. This evening was one of the best times I had at any school event in my four years at Curry. It was a great way for friends to gather and dance the night away!

Graduation Day is a day we will never forget. It came and went so quickly. After spending four or more years preparing for this special day, these pictures hopefully will trigger the joyous memories we have of our now alma mater. From the expressions on the faces, it seems that many of us were in a world of our own.

Your four years at Curry sure
did go by in a hurry

Our favorite time was tennis season and
of course you know-you were the reason

Now that your graduation is here, we
want to give you a big cheer
Your the last one of eight and
we all think you are great

So congratulations to you, along with our
best wishes too.

Love, Dad, Mom, Billy, Tricia, Mary-Ellen,
Kathy, Anne-Marie, Tommy and
Elizabeth

Dear David,

Obstacles are wiped away

Taking with them clouds of gray

In their place are open skies

Where hopes and dreams may arise

David, your determination and cour-
age made it happen. May your

hopes and dreams become a reality.

We are proud and honored to share

this special time of your life with you.

Love Mom & Dad, George and Genifer

Dearest Ben,

As always we are proud of
your accomplishment.

Best wishes as you
graduate college.

Love from your family,

To Mom,
I hope you have a great graduation.
After all these years of working so hard
you are finally going to be a nurse. You
always work so hard and always do your
best now since you are going to graduate
I will get to see you more often.
No matter where you work I know that
they will like you.
Shakira

Good Luck, Doug
We're proud of you!!
All our love,
Mom & Dad

Christine,
We are extremely proud of the loving, thoughtful and kind
women you have become. You have worked very hard and
deserve the best life has to offer. When you look at the stars you
know there is a whole world waiting for you to make your mark.
Go for your dreams, as you'll achieve many of them.
Wishing you success in whatever you do.

Love and Congratulations,
Mom, Dad, Brian, John, Betsy, and
Keegen, and all your family

To my fellow Classmates:

I hope when you look through these pages, they won't be just photographs to you. These pages represent memories and stories that we shared together at Curry- all the experiences and good times that we shared with our friends. Some time in the future, I hope that you will pick up the "Lasting Legacy", flip through and think to yourself "now, it all makes sense!"

Best of luck in the future.

Your Classmate,
Elizabeth Waldron
Editor

I would like to take this opportunity to thank my co- editors, Mary Ann Flammia and Kerri Giannetti. Without their countless hours helping me, the "Lasting Legacy" couldn't be completed. Thanks to Jan Wencel for being a great friend, listener, and proof reader, but also a great advisor. My thanks also to Joyce Sangrey. Whenever I needed a list, she always had it in my mail box the next day!

Thanks also to the photographers, Rich Elliott and Tim Dailey. They not only captured great moments, but were my lifesavers!!

To everyone who sent in pictures, I hope we used them all to make this year's yearbook very complete.

Thank you Lois, for greeting me almost everyday in the office with a smile and whenever I needed anything you supported and guided me in the right way. Chris Spelman, for his patience in teaching us how to use Page Maker. Without Chris' help we may have never started to use computers for publishing the yearbook.

Thanks also to everyone who wrote article. Without your support, the pictures in the book would have no stories to go along with them.

To the yearbook staff in the future's, I wish you the best of luck, and hopefully the *Lasting Legacy* will live on!!!

Mary Ann, Kerri, and Elizabeth stressing over what we should do next and who was going to do it!!!!

THE GREAT BIG STAFF TAKES TIME OUT AT THE PUB, TRYING TO GET INTO SOME OF THE PICTURES OUR SELVES
